Introduction of Books in Manchu

Chunhua, Li Ying

Preface

Qing Dynasty was a multi-national country established by Manchu noblemen. In 1599, the 27th year of Emperor Wanli of Ming Dynasty, Manchu was created. After Qing Dynasty was founded in 1644, Chinese classics were translated, and books on history, policy, and law were written in Manchu. To rule Mongols and Tibetans effectively, Qing emperors legalized their belief of Buddhism and translated many Buddhist scripts into Manchu. They also compiled some Manchu and multilingual dictionaries to facilitate the learning and translation of Buddhist scripts. In general, the Manchu books in Qing Dynasty covered the translated and created versions based on their sources.

Part One Translated Books

(1) Translations of Han People's Classics. Qing emperors worshipped Han People's culture. Before Manchu people unified China, they had translated some Chinese classics into Manchu, such as *Statute Book of Ming Dynasty, Sushu, The Book on the Art of War, History as a Mirror, Mencius, Romance of the Three Kingdoms*, and *History of Jin Dynasty*. After Manchu people unified China, Emperor Shunzhi worshipped Confucius, respected Confucianism, and learnt Han People's culture with zealous effort. He ordered to translate such Chinese classics into Manchu as *The Imperial Edicts of Emperor Hongwu, Models for Behavior and Speech, The Loyalty to the Court*, and *The Book of Songs*, which consolidated the Manchu-Han Alliance and established foundation for the cultural prosperity in Emperor Kangxi, Emperor Yongzheng, and Emperor Qianlong.

Emperor Kangxi valued the essence of Han people's culture, Confucianism, Cheng-Zhu School, etc. He also translated, noted, and printed with Manchu many Confucianist classics and other books, such as *Imperially Edited Commentaries to the Four Books, Imperially Compiled Notes on Character and Reason*, and *Imperially Noted Outline of History as a Mirror*. Besides, scholars translated some literary works into Manchu, including *Romance of the West Chamber, Romance of the Western Han Dynasty, Journey to the West, The Plum in the Golden Vase, Romance of Sui and Tang Dynasties*, and *History of Kingdoms in Eastern Zhou Dynasty*. As a result, Confucius and Zhu Xi's thoughts became the dominant ideology in Qing Dynasty.

Emperor Yongzheng also respected Confucianism. He founded many governmental schools to publicize education among the bannermen. Emperor Qianlong continued to popularize Confucianism. He re-edited Confucianist classics with standard Manchu and printed *The Four Books, The Five Classics*, etc.

(2) **Translations of Buddhist Scripts.** Before Manchu people unified China, Da Hai translated *Mahayana Sutra* into Manchu. After they unified China, Qing emperors carried out the policy that Mongols and Tibetans were allowed to believe in Buddhism and compiled many Buddhist scripts in Manchu, such as *Golden Light Sutra*, *Heart Sutra* (in the reign of Emperor Yongzheng), *Complete Tibetan Sutra in Manchu*, *Ode on Saving Mother Sutra*, *Infinite Life Pray Scripts*, *Sanskrit Texts* (in the reign of Emperor Qianlong), *Imperially Edited Sanskrit Texts in Mahayana Sutra*, *Imperially Translation of Pleading Rain Sutra*, and *Incantation Sutra* (in Manchu, Chinese, Mongolian, and Tibetan). In early Qing Dynasty, the emperor's belief in Buddhism and compilation of Manchu Buddhist scripts enhanced the influence of Buddhism among officials and princes. For instance, De Leke, Duck of Balin written *Ode on Manjusri* and *Manjusri Sutra*, and Yong Rong written *Diamond Longevity Sutra*, which were all written in Tibetan, Manchu, Mongolian, and Chinese, and presented to Emperor Qianlong.

In early Qing Dynasty, emperors valued and learnt Confucianism and translated Confucianist classics and Buddhist scripts into Manchu for more than 100 years, which contributed to implement the Manchu-Chinese Alliance and Manchu-Mongolian Alliance policies and promoted the production and prosperity of Manchu and multilingual dictionaries.

(3) **The Publication and Development of Dictionaries.** After Manchu people unified China, Emperor Kangxi ordered to compile *Imperially Edited Reference Book in Qing Dynasty* to meet the need of translation, which was printed in 1708, the 47th year of Emperor Kangxi. Later, it was translated into Mongolian and Chinese, and printed with the Manchu-Mongolian edition, with the Manchu-Chinese edition *Reference Book for Learning Phonetics in Manchu and Chinese* and *Reference Book for Learning Manchu*.

To standardize the transliteration of Chinese words, Emperor Qianlong ordered Imperial Household Department, ministries, and offices to compile *Imperially Edited Manchu*, *Newly Edited Manchu*, *New Manchu Words Borrowed from Other Languages*, *Imperially Edited Reference Book for Chinese and Manchu*, etc, in which borrowed words from Chinese in *Imperially Edited Reference Book in Qing Dynasty* were replaced with Manchu transliterated words. *Imperially Edited Reference Book in Qing Dynasty* was supplemented with new and out-of-date words, turning out to be *Supplemented Imperially Edited Reference Book in Qing Dynasty*. It was printed in 1771, the 36th year of Emperor Qianlong and became the model for the compilation of Manchu dictionary. To preserve, develop, and standardize the phonetics in other languages, Emperor Qianlong ordered to compile some multilingual dictionaries, such as *Imperially Edited Reference Book for Learning Phonetics in Manchu, Mongolian, and Chinese*, *Imperially Edited Manchu-Mongolian-Tibetan-Chinese Reference Book*, and *Imperially Edited Manchu-Mongolian-Tibetan-Uigur-Chinese Reference Book*, which were based on *Supplemented Imperially Edited Reference Book in Qing Dynasty*. In preface to *Supplemented Imperially Edited Reference Book in Qing Dynasty*, Emperor Qianlong took the histories of Liao, Jin, and Yuan dynasties as an example and emphasized the importance of transliteration. Meanwhile, he ordered to note with Manchu the names of people, place, and official's position in the histories of the three dynasties. In 1780, the 45th year of Emperor Qianlong, *Imperially Edited Notes on the Histories of Liao, Jin, and Yuan Dynasties* was printed.

In Qing Dynasty, the compilation of Manchu phonetic dictionary kept pace with that of governmental professional dictionary. In Manchu-Chinese *Encyclopedia of Qing Dynasty*, *Manchu-Chinese Encyclopedia*, and *Collections of Manchu Words*, the transliteration of Chinese was basically consistent with that in *Imperially Edited Reference Book in Qing Dynasty*.

After *Supplemented Imperially Edited Reference Book in Qing Dynasty* was published, Yi Xing, a member of royal clan, collected over 7,900 new Manchu words with the imperial approval. Sharing the stylistic rule of *Collections of Manchu Words*, he compiled *Supplementation of Manchu Words* and printed it in 1786, the 51st year of Emperor Qianlong. Later, Zhi Kuan and Pei Kuan, chief instructor of translation for the Eight-Banner troops in Jingzhou, organized students to integrate *Collections of Manchu Words* with *Supplementation of Manchu Words*, forming *An Overall Collection of Manchu Words*. It was printed in 1897, the 23rd year of Emperor Guangxu.

In short, the Manchu and multilingual dictionaries compiled in Qing Dynasty marked the unprecedented prosperity of Manchu words. They provided the most effective way to consolidate the Manchu-Chinese Alliance policy and promote the spread and communication of national cultures, and played an active role in perfecting Manchu and popularizing the national culture.

Part Two Created Books

(1) The Compilation of Historical and Chorographical Books. In the reign of Emperor Kangxi, book-compilation organizations were established in National Strategy Academy, National History Academy, and Hall of Martial Valor Book Compilation Institute. Emperor Kangxi ordered to compile many historical and chorographical books of Qing Dynasty in Manchu, Chinese, and Mongolian.

Firstly, *The Memoir in the Reigns of Emperors in Qing Dynasty*, *The Imperial Edicts in Qing Dynasty*, *The Tactics of Emperors in Qing Dynasty*, and *The Biography of Emperors in Qing Dynasty* were compiled in National History Academy. In Qing Dynasty, when the emperor deceased, his successor immediately ordered to compile *The Memoir in the Reigns of Emperors in Qing Dynasty* and *The Imperial Edicts in Qing Dynasty*. From Emperor Taizu to Emperor Dezong in Qing Dynasty, there were 12 books on *The Memoir in the Reigns of Emperors in Qing Dynasty* and *The Imperial Edicts in Qing Dynasty* respectively. In the 9th year of Emperor Tiancong, *The Memoir in the Reigns of Emperor Hongwu* was compiled in Manchu, Mongolian, and Chinese. The Manchu edition of *The Memoir in the Reigns of Emperors in Qing Dynasty* and *The Imperial Edicts in Qing Dynasty* were all decorated with large and small red damask silk or small yellow damask silk. Some books on *The Imperial Edicts in Qing Dynasty* had Hall of Martial Valor Edition.

In addition, the compilation of *Imperially Edited History of Qing Dynasty and Biographies of Accomplished Persons* was started in 1710, the 49th year of Emperor Kangxi and completed in the reign of Emperor Qianlong by National History Academy. This ushered in the beginning of the compilation of biographies of outstanding officials and faithful generals. For instance, Emperor Yongzheng ordered to compile *A General Genealogy of Clans in the Eight-Banners* in 1735, the 13th year of his reign, which was printed in 1744, the 9th year of Emperor Qianlong. Emperor Qianlong re-edited *Imperially Edited History of Qing Dynasty and Biographies of Accomplished Persons*, and recounted in detail the accomplishments of members of royal clan and outstanding persons, such as in *Accomplishments and Biographies of Princes and Dukes*, *Records of Conferred Princes and Dukes*, *Imperially Edited Biographies of Princes and Dukes of Hui Tribes in Outer Mongolia*, *Imperially Edited History of Qing Dynasty and Biographies of Officials*, *Imperially Edited History of Qing Dynasty and Biographies of Accomplished Persons*, *Imperially Edited History of Qing Dynasty and Biographies of Faithful Generals*, and *Biographies of Persons with Shrines in Zhaozhong Temple*. These books were re-compiled by the successors of Emperor Qianlong.

Secondly, Emperor Kangxi set up National Strategy Academy that concentrated on the compilation of the history of war in Qing Dynasty. In the reign of Emperor Kangxi, some books recording the wars in the frontier among minorities were compiled in Manchu and Chinese, such as *Records of the Pacification of Revolt of the Three Feudatories, Records of the Pacification of the Rebels in the Northern Desert Led by the Emperor, Records of the Pacification of the Rebels of Dzungar People, Records of the Pacification of the Rebel of Tusi in Jinchuan*, and *Records of the Pacification of the Rebels of Tusi in Major and Minor Jinchuan*. Besides, Emperor Qianlong ordered to compile *Records of the Foundation of Qing Dynasty* to propagate the history of early Qing Dynasty.

Thirdly, there were numerous geographical books. However, few had been translated into Manchu, including *Imperially Edited Research of the Origin and Spread of Manchu, Imperially Edited Primary Collection of Records of the Eight Banners, Imperially Edited Chorography of Mount. Wutai*, and *Imperially Edited Records of the Imperial College.*

(2) The Collection of Policies and Statutes. To maintain social order and consolidate national unity, Qing emperors established National Law Academy and printed many books on the polices and statutes in Manchu and Chinese. In 1670, the 9th year of Emperor Kangxi, *Cases Attached to Laws in Qing Dynasty*, the earliest Manchu statute book, was printed. *Laws for Supervision and Arrest* had been printing in Qing Dynasty to settle the problem that peasants fled because of the enclosure done by the Eight Banners. In 1680, the 19th year of Emperor Kangxi, *The Imperially Edited Temporary Laws for the Six Ministries* was printed.

When Emperor Yongzheng ascended the throne, he ordered to reduce and standardize the laws. *Explanations for Qing-Dynasty Laws* was supplemented with notes and cases and renamed *Imperially Edited Qing-Dynasty Laws*. The form that cases attached to the laws ended the condition that laws and cases were separated or laws were replaced with cases since the reign of Emperor Kangxi. Emperor Qianlong conformed the original, supplemented, and imperially edited notes in the laws. With the supplemented cases, *Laws and Cases in Qing Dynasty* was compiled and printed in 1740, the 5th year of Emperor Qianlong, and became the model for statute books in Qing Dynasty. It was ruled that statute books should be re-edited in small scale after 5 years and in large scale after 10 years, based on the principle that laws were changed and supplemented while being passed down. In *The Edited Laws and Cases in Qing Dynasty*, there were more volumes and cases.

In addition, Qing emperors compiled *Rules in Imperial Clan Court* to maintain the royal privilege and *Temporary Rules in Imperial Household Department* to maintain the order in the court. Many specific rules were made, such as *Rules for the Eight Banners, Rules for Ordnance, Rules for the Examination in Ministry of Military, Rules for Barbette at Baita Mountain, Rules for Selecting Officials, Rules for Examining and Grading Officials, Rules for Punishment, Imperially Edited Rules for Banner Affairs in Ministry of Revenue, Imperially Edited Rules for Tai Chang Temple, Imperially Edited Rules for Imperial College*, etc. Their compilation and edition were also based on the rule that statute books should be re-edited in small scale after 5 years and in large scale after 10 years.

Qing emperors paid attention to the pacification and management of minorities in the frontier. To rule Mongolia, *Rules Made in Shengjing* was issued in 1633, the 7th year of Emperor Tiancong. It was the earliest national and regional law in Qing Dynasty. In 1636, the 1st year of Emperor Chongde, Office for Mongolian Affairs was established, which was renamed Board for National Minority Affairs in 1638, the 3rd year of Emperor Chongde. In 1643, the 8th year of

Emperor Chongde, *Books of Laws for Mongolia* was issued, which was printed with the edited version in 1657, the 14th year of Emperor Shunzhi and reprinted in 1667, the 6th year of Emperor Kangxi. With continuous edition, it was printed in Manchu, Mongolian, and Chinese in 1715, the 54th year of Emperor Qianlong, with the new name *Laws and Cases for Mongolia*. Since 1811, the 16th year of Emperor Jiaqing, Mongolian laws and cases had been edited. Supplemented with *A General History of Tibet*, *Rules for Huijiang*, and other rules for Lamaism and Russian affairs, *Laws and Cases for Mongolia* was renamed *Rules for Board for National Minority Affairs* in Manchu, Mongolian, and Chinese in 1814.

The laws and rules made in Qing Dynasty covered different fields and diverse types. Therefore, in 1684, the 23rd year of Emperor Kangxi, Law Collection Academy was established to collected the laws and rules. In 1690, the 29th years of Emperor Kangxi, *Collected Laws in Qing Dynasty* was printed. It was the first comprehensive law in Qing Dynasty and re-edited four times. In the 3rd edition in the reign of Emperor Qianlong, *Rules* and *Cases* were compiled. In the 4th edition in the reign of Emperor Jiaqing, illustrations were added.

In general, the laws and rules, such as *Collected Laws in Qing Dynasty*, *Rules,* and *Cases* constituted the complete administrative and legal system in Qing Dynasty. While maintaining the existence of royal privileges, they stabilized the multi-national country.

(3) Manchu Literary Works Created by Manchu People. With the Manchu-Chinese cultural communication and influence deepened, many Manchu writers emerged. However, few could write in Manchu and their works were in small amount, such as *Imperial Poems on Chengde Mountain Resort*, *Imperial Ode on Shengjing*, *Imperially Composed Ancient Poems*, *Essay on Emperor Taizong's Defeat against Ming-Dynasty Troops at Songshan Mountain*, *Records on March with Army*, *Records of the Remote Area*, *Records in the Diplomatic Mission to Jiaozhi*, etc. Among them, *Imperial Poems on Chengde Mountain Resort* was the only Manchu poetry collection of Emperor Kangxi. *Imperial Ode on Shengjing* was composed in 1743, the 8th year of Emperor Qianlong, when Emperor Qianlong worshipped the ancestral temple in Shengjing. As the most famous ode of Emperor Qianlong, it was transcribed in 32 styles in Manchu seal character and printed in Manchu-Chinese seal character in 1748, the 13th year of Emperor Qianlong. Manchu-Chinese *Imperially Composed Ancient Poems* was a creative work of Emperor Qianlong and was printed in 1779, the 44th year of Emperor Qianlong. *Records on March with Army*, *Records of the Remote Area*, and *Records in the Diplomatic Mission to Jiaozhi* were essays recording journey and folks.

In conclusion, the Manchu works were later translated into Mongolian, and some into French, German, and English.

Explanatory Notes

Range of Collection: This series selects and introduces the collections in the Palace Museum, which are mainly valuable ancient books in Mongolian, Manchu, Chinese, Tibetan, and Uigur. Most are compiled in Manchu-Mongolian and Manchu-Chinese-Mongolian. Few are in Tibetan-Uigur.

Category and Structure: This series follows the traditional category in ancient Chinese books, *Jing* (Confucianist Classics), *Shi* (History), *Zi* (Philosophy), and *Ji* (Literature). In each category, we firstly edit the governmental edition, and then the non-governmental edition based on the chronological order.

Title: Some Manchu or plurilingual books have more than one titles which differ little from each other and lie in different places, like titles in title page, head page, copyright page, cover page, and bookmark, like the phrases "records in books," "title in the total catalogue," "alias," "planned name," and "translated name." This series mainly takes the title in head page, and that in title page, copyright page, or cover page if the book has no title in head page. In some cases, the title is chosen not completely based on the rule so long as it can fully represent the feature of the book. In some Mongolian and plurilingual books, such words as "Imperially Edited," "Imperially Printed," "Translated," "Manchu-Chinese," and "Multi-language" are reserved to present the real condition when the books were compiled. The titles are in Chinese and Mongolian.

Language and Genre: In Qing Dynasty, most Mongolian books were plurilingual, in two, three, four, or five languages and with diverse genre. For instance, *Collections of Words and Expressions Used in Life and Production in Tuote Mongolian* is a Mongolian-*Tuote*-Manchu-Chinese dictionary. As *Tuote* is a kind of Mongolian used by Oirats, the dictionary is actually a Mongolian-Chinese-Manchu edition. In addition, *Imperially Edited Reference Book for Manchu and Mongolian Learning*, *On Mongolian*, *Manchu-Mongolian-Uigur Characters*, *Manchu-Mongolian-Tibetan-Uigur Characters*, and *Manchu-Mongolian-Tibetan-Gyarung-Uigur Characters* are dictionary in two or more languages. The words in Mongolian, Tibetan, Gyarung, and Uigur are transliterated from Manchu letters. *Manchu-Mongolian-Chinese Characters* is a Manchu-Mongolian-Chinese dictionary, in which the Mongolian part is all transliterated from Manchu letters. The dictionary has only Chinese and Manchu editions. It can be concluded that plurilingual dictionaries have more languages than editions. In some plurilingual dictionaries, the words are transliterated from more than one language. For example, in *Imperially Edited Collections of Names in Translation*, Sanskrit words in Buddhism are transliterated from Manchu, Chinese, Mongolian, and Tibetan. In general, the language and genre in one book differ. This series mainly bases itself on the number of languages and edits on the order of them to present the multilingual books.

Twenty chapters as text, one chapter as preliminary remarks,
four chapters as general principles,
one chapter as postscript — 60

16 *Manchu-Mongolian Dictionary*
Twenty chapters as text,
one chapter as preliminary remarks — 64

17 *Manchu-Mongolian Dictionary*
Twenty chapters as text,
one chapter as preliminary remarks — 66

18 *General Principles of the Manchu-Mongolian Dictionary*
Eight chapters — 68

19 *Phonetically Transcribed Bilingual Dictionary of Chinese and the Official Language of the Qing* — 70

20 *Supplement to the Dictionary of the Qing Language*
Thirty-two chapters as text,
two chapters as preliminary remarks,
eight chapters as general principles,
four chapters as supplement to the text, one chapter as
supplement to the general principle — 72

21 *Trilingual Dictionary of Manchu, Mongolian and Chinese Phonetically Transcribed, Adopting the Method of Qieyin*
Thirty-one chapters as text,
one chapter as preliminary remarks — 74

22 *Dictionary of the Four Languages in the Qing Dynasty*
Thirty-two chapters as text,
four chapters as supplement — 76

23 *Dictionary of the Five Languages in the Qing Dynasty*
Thirty-two chapters as text,
four chapters as supplement — 78

24 *Manchu-Chinese Dictionary*
Twenty chapters — 80

25 *Selections from the Dictionary of the Qing Language*
Eight chapters — 84

26 *Old Qing Language Selected from Veritable Records*
Fourteen chapters — 86

27 *Comprehensive Dictionary of the Qing Language*
Twelve chapters — 88

28 *Tuote Mongolian Dictionary*
Eight chapters — 90

29 *Supplemental Dictionary of the Qing Language*
Eight chapters — 92

30 *Complete Dictionary of the Qing Language*
Twelve chapters — 94

31 *Geographical Dictionary of Places and Names in the Western Region*
Twenty-four chapters — 98

32 *Dictionary for Terms in the Histories of Liao, Jin and Yuan*
Forty-six chapters — 100

33 *Manchu-Mongolian-Chinese Dictionary* — 104

34 *Manchu-Mongolian-Tibetan-Uighur Dictionary* — 106

35 *Manchu-Mongolian-Tibetan-Jiarong-Uighur Dictionary* — 108

36 *Condensed Buddhist Dictionary in Five Languages*
Two chapters — 110

37 *The Ali Gali Transliterations of the Four Languages* — 114

38 *Unified Syllables Imperially Commissioned*
Six chapters — 116

39 *Patterns of Manchu and Chinese Corresponding Phones*
One chapter — 120

40 *Essentials of Mongolian*
Four chapters — 122

41 *One Hundred Conversational Terms*
Four chapters — 126

42 *Reprinted Version of the Guidebook of Manchu Function Words*
Two chapters — 128

43 *Manchu-Mongolian-Chinese Textbook*
Eight chapters — 132

44 *Records of the Three Kingdoms*
Sixty-five chapters — 134

45 *History of Liao*
Eight chapters — 136

46 *History of Jin*
Eight chapters — 138

47 *History of Yuan*
Fifteen chapters — 140

48 *History Of Ming*
Ninety-Seven Chapters — 142

Four chapters — 216

81 *Essence of Nature and Rationality*
Twelve chapters — 220

82 *Exposition of the Great Learning*
Forty-three chapters as text,
one chapter as preliminary remarks — 224

83 *Pure Book*
One chapter — 228

84 *Three Military Strategies*
One chapter — 230

85 *Six Military Principles*
Two chapters — 232

86 *Master Lei's Process of Preparing Chinese Medicine*
Sixteen chapters — 236

87 *General Book on Therapeutics of Chinese Medicine*
Three chapters — 238

88 *Longevity and Vitality Preservation*
Twenty-two chapters — 242

89 *Wang Shuhe's Pulse Classic*
Four chapters — 244

90 *Western Medicine* — 246

91 *Complete Book of Horse Classics* — 248

92 *Elements*
Seven chapters — 250

93 *Records on Astronomy and Constellations*
One chapter — 254

94 *Lunar Eclipse on August 17, 1884* — 256

95 *Music Score for Qin*
Six chapters — 258

96 *Romance of the Three Kingdoms*
Twenty-four chapters — 262

97 *Records of the States*
108 chapters — 266

98 *Journey to the West*
100 chapters — 268

99 *Sequel to "Journey to the West"*
Forty chapters — 270

100 *Ping Shan Leng Yan*
Sixteen chapters — 272

101 *Tripitaka in Manchu*
108 chapters as text, one chapter as contents — 274

102 *Mantras of the Tripitaka*
Eighty chapters as text,
eight chapters as preliminary remarks — 278

103 *Ullambana Sutra* — 282

104 *Prajnaparamita Heart Sutra* — 284

105 *Surangama Sutra*
Ten chapters — 288

106 *Sutra on Praying for Rain at the Hall of Grand Clouds* — 292

107 *Sitatapatra Kalpa Sutra* — 296

108 *Sutra Presented to the Court* — 298

109 *Illustrated Biographies of Various Buddhas* — 300

110 *Amitayurdhyana Sutra* — 302

111 *Imperial Poems on the Mountain Resort for Summer Retreat*
Two chapters — 306

112 *Imperial Rhapsody on Shengjing* — 310

《故宫博物院藏品大系·善本特藏編》

滿文古籍部分概述

春花　李英

清廷是由滿族作爲統治民族的統一的多民族政權，明萬曆二十七年（一五九九）創製滿文，开始以滿文撰拟朝廷軍政紀要，同時以滿文翻譯了一些漢籍。順治元年（一六四四）清軍入關後，除了大量翻譯漢文典籍之外，還以滿文纂修本朝歷史及政策、法規等。爲有效地統治蒙、藏民族，清廷对其實施了提倡信奉佛教的政策，并以滿文翻譯了大量的佛經。因各民族间相互學習、交流需要，編纂了很多滿文及多語合璧辭書。總之，清廷执政期間留下很多滿文古籍文獻，根據内容，可分爲翻譯文獻、創作文獻兩種。

一　翻譯文獻

（一）漢籍的滿文翻譯：清統治者崇尚漢文化，早在入關前就由文館以滿文翻譯《明會典》、《素書》、《資治通鑒》、《孟子》、《三國演義》、《金史》等漢文典籍。清軍入關後，順治帝大力提倡尊孔、崇儒并積極推行學習漢文化的活動，還下令以滿文翻譯《洪武要訓》、《範行恒言》、《表忠録》、《詩經》等，以促使『滿漢聯合』民族政策的实施，也爲康乾盛世時期文化的蓬勃發展奠定了基礎。

康熙帝大力推崇漢文化的結晶——儒家思想、程朱理學等，并敕令以滿文翻譯、注釋、刊刻《御製日講四書解義》、《御纂性理精義》、《御批通鑒綱目》等儒家典籍。此外，民間還以滿文翻譯《西厢記》、《西漢演義》、《西游記》、《金瓶梅》、《隋唐演義》、《列國志》等文學作品。從而使孔子和朱熹的學説逐漸成爲清代正統的官方思想。

雍正帝也尊崇儒家思想和漢文化，他在位期間，創辦各種官學，推行普及旗民教育。乾隆帝繼續發揚博學鴻儒活動，并以規範後的滿文重新翻譯、刊行『四書』、『五經』等。

（二）佛經的滿文翻譯：早在入關前文館的达海巴克什曾以滿文翻譯《大乘經》，清軍入關後，對蒙、藏民族有效實施信奉佛教政策，清前期諸帝敕修很多滿文佛經。如康熙年《金剛經》、雍正年《摩訶般若波羅蜜多心經》，尤其乾隆帝敕修《清文全藏經》、《救度佛母贊》、《無量壽佛祈禱文》、《讀咒法》等大量的滿文佛經及《御製滿漢蒙古西蕃合璧大藏全咒》、《御譯大雲輪請雨經》、《白傘蓋儀軌經》等四體合璧佛經。清前期諸帝信佛及敕修滿文佛經的舉措，促進了臣子之間佛教传播的蔓延，如巴林公德勒克抄寫《文殊師利贊》及《文殊師利菩薩贊佛法身禮》、永瑢抄寫《金剛壽命經》等，均是敬獻乾隆帝的藏滿蒙漢四體合璧經文。

清代經過一百多年的推崇學習漢族儒家文化和提倡信奉藏传佛教以及滿文翻譯儒家經典和佛經等活動，促使了『滿漢聯合』、『滿蒙聯盟』政策的有效實施，同時也强烈地刺激了編印滿文及多語合璧辭書的啓蒙、發展。

（三）滿文詞典的問世及發展演變：清軍入關後，隨著各民族语言间翻譯需要，康熙帝敕纂《御製清文鑒》，康熙四十七年（一七〇八）刊行。後把該詞典譯成蒙文和漢文，刊行滿蒙合璧的《御製清文鑒》和滿漢合璧的《音漢清文鑒》、《一學三貫清文鑒》等。

乾隆帝爲規範滿文中的漢語音譯借詞，曾下令内府及各部院、衙門等編纂《欽定清語》、《新定清語》、《清文鑒外新語》、《御製兼漢清文鑒》等，并以滿文意譯詞替代《御製清文鑒》中的漢語借詞，再增補新詞、古詞。最後彙編成《御製增訂清文鑒》，乾隆三十六年（一七七一）刊行。該詞典成了編纂滿文詞典的典範。後乾隆帝爲存留、發展、規範各民族語言音韻，又敕令以《御製增訂清文鑒》爲準，纂修《御製滿洲蒙古漢文三合切音清文鑒》、《御製四體清文鑒》、《御製五體清文鑒》等多語合璧詞典。乾隆帝曾在『御製增訂清文鑒序』中以遼、金、元三史爲例，强調互注切音的重要性，同時命以滿文標注三史人名、地名、官名等，編成《欽定遼金元三史語解》，乾隆四十五年（一七八〇）刊行。

以上所述清代皇帝敕修滿文詞典均为按类编排的詞典，民间纂修滿文音序詞典也緊跟著官修分類詞典的發展步伐，如《大清全書》、《滿漢同文全書》、《清文彙書》等早期編纂的滿漢合璧音序詞典，收入大量的漢語音譯借詞方面與《御

製清文鑑》基本一致。而《御製增訂清文鑑》問世後，宗室宜興彙集七千九百餘條欽定的新滿文詞語，以《清文彙書》體例編成了《清文補彙》，乾隆五十一年（一七八六）刊行。後由荆州八旗駐防翻譯總學教習志寬、培寬二人組織學生，編《清文彙書》、《清文補彙》词语成《清文總彙》，光緒二十三年（一八九七）刊行。

總之，清代編纂衆多滿文及多語合璧詞典，標志著滿文詞語空前繁榮發展，這些詞典爲進一步鞏固『滿漢聯合』政策以及各民族文化的傳播與交流提供了最有效的橋梁，也爲强化『國語』及宏揚各民族文化起了巨大的促進作用。

二　創作文獻

（一）本朝史地文獻的纂修：自康熙年开始設立方略館、國史館和武英殿修書處等，皇帝欽命以滿、漢、蒙三種文字編纂刊行了大量的本朝史地方面的書籍。

首先，在國史館編纂《實録》、《聖訓》、《方略》、《傳記》等本朝歷史資料。清代每朝皇帝駕崩，後任皇帝即位，立即敕命恭纂《實録》、《聖訓》，自太祖至德宗十二朝，《實録》、《聖訓》各纂有十二種，還有天聰九年修成的滿蒙漢合璧《太祖武皇帝實録》。各朝滿文《實録》、《聖訓》均有大、小紅綾本和小黄綾本，《聖訓》還有武英殿刻本。

此外，康熙四十九年（一七七〇）在國史館敕纂《欽定國史功臣列傳》，至乾隆年編成。此書的問世成了編修本朝大臣、忠烈傳記的開端。如雍正十三年（一七三五）敕纂《八旗滿洲氏族通譜》，乾隆九年（一七四四）刊行。乾隆年不僅續修《欽定國史功臣列傳》，爲更詳細地記述本朝人物功勳，分門别類立傳列表，編成了《宗室王公功績表傳》、《恩封宗室王公表》、《欽定外藩蒙古回部王公表傳》、《欽定國史大臣列傳》、《欽定國史功臣列傳》、《欽定國史忠義列傳》、《昭忠祠列傳》等，後幾朝不斷續纂完善。

其次，康熙年又開設了撰著清朝戰争史實的方略館，先後以滿漢兩種文字刊行了《平定三逆方略》、《親征平定朔漢方略》、《平定準噶爾方略》、《平定西北方略》、《平定金川方略》、《平定兩金川方略》等涉及平定邊疆少數民族戰争始末的書籍。此外，乾隆帝爲宣示清初開國事迹，敕修《皇清開國方略》。

其三，清代編纂本朝地理資料較多，但以滿文翻譯的只有《欽定滿洲源流考》、《欽定八旗通志初集》、《欽定清涼山志》、《欽定國子監志》等幾種。

（二）本朝政策、法規的彙集整理：清廷爲維護社會秩序，鞏固國家統一，開設律例館，以滿、漢文編印很多有關本朝政策、法規方面的書籍。康熙九年（一六七〇）刊行的《大清律解附例》爲流傳至今最早的滿文法律全書，爲解決八旗圈地導致人民逃亡問題，歷朝編製修訂了《督捕則例》。此外，編訂《欽定六部現行則例》，康熙十九年（一六八〇）刊行。

雍正帝即位後立即敕命對舊律删繁就簡，加以規範，編成了集解、附例齊全的《大清律集解》，并改稱《欽定大清律》。其中新條例附於律，結束了康熙以來例、律分開及以例代律的情况。乾隆朝修律時，去掉總注及條例中原、增、欽定的區别，并稍加删改，大量增補條例，編成了《大清律例》，乾隆五年（一七四〇）刊行，後該體例成了清律的定性。因『五年一小修，十年一大修』，其修訂原則是『律文歷代相因，例條不斷增改』，以至後期的《大清律續纂條例》卷次增多，條例增加。

此外，清廷爲維護皇族特權，編訂《宗人府則例》，爲維持皇宫秩序，編纂《内務府現行則例》。還針對不同問題，專門製定了《八旗則例》、《軍器則例》、《中樞政考》、《處分則例》、《白塔信炮章程》、《銓選則例》、《品級考則》、《處分則例》、《欽定户部旗務則例》、《欽定太常寺則例》、《欽定國子監則例》等很多『子則例』，其纂修也遵循『五年一小修，十年一大修』的慣例。

清廷一向重視安撫邊疆少數民族并不斷加强对他們的日常管理問題，爲治理蒙古，早在天聰七年（一六三三）頒行《盛京定例》，這是清代最早製定的民族區域法。崇德元年（一六三六）設立『蒙古衙門』，三年（一六三八）改稱『理藩院』，八年（一六四三）頒布《蒙古律書》。順治十四年（一六五七）增修條例，康熙六年（一六六七）再刊。後又屢經修訂，至乾隆五十四年（一七一五）以滿蒙漢三種文字頒行《蒙古律例》。自嘉慶十六年（一八一一）開始對有關蒙古的律例、成案進行全面清理，并增加《西藏通志》、《回疆則例》及有關喇嘛教事務和俄羅斯事務等内容，歷時三年以滿、蒙、漢三種文字編成《理藩院則例》。

可見，清廷製定的法律、法規，內容豐富，種類繁多。爲此早在康熙二十三年（一六八四）開設會典館，彙總這些法律、法規，編成《大清會典》，康熙二十九年（一六九〇）刊行，是清代第一部綜合性的大綱、大法，後續修四次。乾隆朝第三次續修時，修成《會典》、《則例》兩部分，嘉慶朝第四次續修時，附加圖。

總之，《大清會典》和《律例》、《則例》等形式多樣的法律、法規交錯在一起形成了較爲完備的行政法規體系，以維護各種特權的同時，保障多民族統一國家的穩定局面。

（三）滿族人以滿文創作的文學作品：隨著滿漢文化的深入接觸和影響，自康熙年涌現出衆多滿族作家，但其中衹有少數作家用滿文創作少量作品。如《御製避暑山莊詩》、《御製盛京賦》、《御製全韻詩》、《太宗皇帝大破明師於松山之戰書事文》、《隨軍紀行》、《異域録》、《出使交址紀事》等，其中《御製避暑山莊詩》是康熙帝唯一一部滿文詩集。至乾隆八年（一七四三）乾隆帝抵盛京謁陵祭祖時所撰《御製盛京賦》是最著名的一篇詩賦，後命臣工肇三十二體滿文篆字，并用滿漢文篆字編寫《御製盛京賦》，於乾隆十三年（一七四八）刊行。滿漢合璧《御製全韻詩》也是乾隆帝創新之作，乾隆四十四年（一七七九）刊刻。此外《隨軍紀行》、《異域録》、《出使交址紀事》等是『紀行』、『紀事』體散文。

總之，以滿文譯寫或創作的多數作品，後來由蒙文翻譯，也有些譯成了法文、德文、英文等。

本卷凡例

一　收録範圍：本文主要介紹故宮舊藏清代滿文及滿文與漢、蒙、藏、維等各民族語言合璧的珍貴書籍，其中多數爲滿漢合璧或滿漢蒙三體合璧書籍，含有維語或藏語的多語合璧書籍較少。

二　分類排列：本文大體以古籍經、史、子、集的分類順序編排，每類先排官修書籍，後排非官修書籍，并按成書時間先後爲序。

三　書名：滿文及多語合璧書籍具有一書多名的特點，如有『書名頁題名』、『卷端題名』、『牌記題名』、『封面題名』、『書口題名』、『書簽題名』、『文獻中記載』、『聯合目録所著書名』、『別名』、『擬名』、『譯名』等很多，這些名稱大同小異。本文主要采用『卷端題名』，若無『卷端題名』，則依次采用『書名頁題名』、『牌記題名』或『封面題名』、『書口題名』等。但不是説所有書名的選定，都一律遵循這一規則，有些書名是根據具體情況而定，選擇了最能完整地反映書籍基本特徵的書名。在清代滿文及多語合璧書籍書名前通常冠有『欽定』、『御製』、『翻譯』、『滿漢合璧』、『合璧』、『滿漢文』等字節，這些均予保留，以存真相。本文書名只采用漢文一種文字書名。

四　語種、文種：清代滿文書籍以多語合璧書籍爲主，有雙語合璧、三體合璧、四體合璧、五體合璧等，且語種、文種的組合形式豐富多樣。如《蒙古托忒彙集》是蒙托忒滿漢等四種文字合璧的音序詞典，由於托忒蒙古文是衛拉特方言區使用的一種蒙古文，按語種來説，該詞典是一部蒙漢滿三體合璧詞典；此外，《御製滿蒙文鑒》、《滿蒙藏維四體字書》、《滿蒙藏嘉戎維語五體字書》等均是多語合璧詞典，其中蒙語、藏語、嘉戎語、維吾爾語等语言詞語部分均由滿文字母轉寫

而成，这些多語合璧字書文種只有滿文一種。還如《滿蒙漢字書》是滿蒙漢三體合璧詞典，其蒙語部分全由滿文字母轉寫而成，該字書的文種只有漢文、滿文兩種。可見，這些多語合璧字書的『文種』比『語種』少。可見，每部書所包含的語種、文種的多寡并不完全統一，本文主要以語種數量爲依據，并以書内各語言實際排列爲序，叙述多語合璧書籍的語種。

乾隆年御製重刻序
Preface by the Qianlong emperor

བཅམས་པའི་འཇིག་རྟེན་ཡིད་རངས་ཏེ། བཅོམ་ལྡན་འདས་ཀྱིས་གསུངས་པ་ལ་མངོན་པར་བསྟོད་དོ།། །།

一切世間皆大歡喜宣讚佛旨

འཕགས་པ་ཤེས་རབ་ཀྱི་ཕ་རོལ་ཏུ་ཕྱིན་པའི་སྙིང་པོ་ཞེས་བྱ་བའི་མདོ་རྫོགས་སོ། །

摩訶般若波羅蜜多心經終
